

## about me

Cynthia is an experienced Graphic Designer with strong technical and creative skills. She delivers graphic design solutions for international brands and is known as a dynamic force within her team. Inspired by the design industry Cynthia meets challenges and brings innovative ideas to life.

Commercially working as part of the team that generated packaging designs for Marvel with Hot Toys. Additionally, she has worked on designs for Disney's Frozen and Star Wars. Skilled in digital design and traditional illustrative media, Cynthia aims to bring her skills to progressive brands. Cynthia welcomes contract opportunities and offers in the UK or remotely online.
